

## **Unsolicited Submissions Policy**

**Q: Can I send you my ideas for Egg Baby and/or another game?**

**A: We love seeing our fans' creativity and enthusiasm, but our lawyers wanted us to put this in as the official answer:**

**Nix Hydra Games values your feedback on its services and products, but please do not submit any creative ideas, suggestions or materials. Neither Nix Hydra Games nor any of its employees and/or contractors accept or consider unsolicited ideas, original creative artwork or other works, including, without limitation, ideas or suggestions for new or improved games or technologies, game or product enhancements, marketing plans or names for new games (collectively "Unsolicited Ideas"). Please do not send your Unsolicited Ideas to Nix Hydra Games or its employees and/or contractors. This policy is aimed at avoiding potential misunderstandings or disputes when Nix Hydra Games' products or services might seem similar to Unsolicited Ideas that are submitted.**

To the extent necessary, you agree that you undertake to execute and deliver any and all documents and perform any and all actions necessary or desirable to ensure that the rights to use the Unsolicited Ideas granted to Nix Hydra Games as specified above are valid, effective and enforceable. You also give up any claim that any use by Nix Hydra Games**
